Fayetteville Academy Upper School Families:

Please use the following list as a starting point for your exploration of summer enrichment opportunities. There are many residential programs available designed to meet a variety of interests and needs. Please be mindful of application deadlines and fees for each of these programs as they will vary. We will periodically update this list to remove programs with passed deadlines and to add new program information as we receive it. This is not a comprehensive list, so feel free to let us know about programs you are aware of that are not listed, and we will include them in a future update.

Sincerely,

Mrs. Darden and Mrs. Frady
